

## MARION STUDENTS IN O.S.U. GRADUATE LIST

Points Near Here Also Represented in Class of 526 Getting Diplomas Today.

Four Marion students, including one who received a master of art degree, and students from Maryville, Nevada and North Robinson were in a class of 526 graduated this afternoon at Ohio State university's summer convocation exercises, according to the university news bureau.

At the same time additional enrollments of students from Marion and vicinity this week in the record-breaking freshman class were announced.

Miss Virginia Shipley of Marion, who made an outstanding record at the university scholastically and as a leader in campus activities, was graduated today with a master of arts in business administration. Other Marion students graduated are Miss Madeline Stuber, arts; Haver Alspach, commerce and administration; Miss Elizabeth Gray, education.

Graduates from the vicinity of Marion included Robert Winter of Nevada, master of arts; George S. Ager of Maryville, master of arts; head of department.

## "Science Circus" Attendance Here Passes 13,000

Parade of Progress To Close Here Tonight; Going to Lima.

More than 13,000 persons have visited the General Motors Parade of Progress since its opening here Tuesday night, exposition officials reported today.

The attendance mark was reached at 10:30 a.m. yesterday, and the 13,000th visitor was reported to be a woman from Marion.

Since the exposition does not open in Lima until Tuesday night, the managing officials today were preparing for trips to their homes over the Labor day weekend.

Many of them have not been home since the show opened its present tour at Miami, Fla., last January.

Larry Corcoran, advance man for the exposition, left today by plane for his home in Atlanta, Ga., and others were bound for New York City, Baltimore, Md., Louisville, Ky., Chicago, and other points.

Most of the officials were planning to travel by plane in order to extend their home visits as long as possible.

Meanwhile, J. M. Jerpe, director of the exposition, was on the spot for 40 turkey and 10 bean dinners, as the result of a softball game played between the show's staff and the division men, representing various General Motors divisions. The division men lost the game, with turkey dinners at stake, but threw the responsibility over to Mr. Jerpe, who had agreed to back up the wager. The bean dinners, of course, will be served to members of the losing team.

The verdict had been appealed on error by the state industrial commission. In an opinion written by Judge Phil M. Crow of Kenton, the appellate court reported finding no reversible error and affirmed the judgment of the common pleas court here.

The appellate court's decision was unanimous, Judges William Klinger of Lima and Charles A. Guernsey of Fostoria concurring with Judge Crow.

Webs spun by some spiders in a group of Pacific Islands are not tough, the insects and their webs that take the ball being entangled in the webs.

Striking workers at the Huberling Latex Products Co. at Barberton, an Akron suburb, voted to return to work today after a 10-day strike affecting 300 employees.

Men workers receiving more than 60 cents an hour received five per cent wage increases, said B. P. Churock, union leader. Those getting less were granted seven and one-half per cent increases, and women's wages were hiked five per cent, he said. No company official was available for immediate comment.

The difficulty of getting one's trousers pressed was increased at Toledo when about 70 representatives of independent tailors, after a meeting with striking members of the Cleaners, Dyers and Pressers Union, announced that 360 independent tailors would close their shops Tuesday as a sympathy gesture.

The cleaners' walkout started Monday. Unionists, who claim 290 are out in 23 shops, demand a 20 per cent wage increase and a closed shop agreement.

The tear gas attack at Toledo came as Paul Rasmussen, an organizer from Washington, D. C., was addressing the alliance, composed of WPA workers and unemployed. Two persons were taken to a hospital and several others made ill by the fumes.

Sold in paper tubes, perforated along one side, each cubic centimeter can be easily applied to cracks around doors, windows and chimneys to make water-tight joints with little effort.

## O. W. SQUIER DIES AT HOME IN CAREY

SPECIAL TO THE STAR  
BUCKEYEC, Sept. 4.—Oscar W. Squier, 75, a retired railroad employee, died at his home in Carey yesterday at 3:15 p.m. After a two year illness of heart trouble. He was a member of the Lutheran church at Carey and of the Masonic Lodge.

Born Nov. 3, 1881, at Sulphur Springs, he was married April 24, 1909, to Harriet Stauffer, who survives. One son died 14 years ago. A brother, Edgar of Springfield, O., and two sisters, Mrs. Anna Seaver of Troytown, N. Y., and Mrs. Emma VanVoorhis of Bucyrus, also survive.

Funeral services will be held at the home in Carey, Saturday at 2 p.m., and burial will be made in Oakwood cemetery in Bucyrus.

Since the exposition does not open in Lima until Tuesday night, the managing officials today were preparing for trips to their homes over the Labor day weekend.

Many of them have not been home since the show opened its present tour at Miami, Fla., last January.

Larry Corcoran, advance man for the exposition, left today by plane for his home in Atlanta, Ga., and others were bound for New York City, Baltimore, Md., Louisville, Ky., Chicago, and other points.

Most of the officials were planning to travel by plane in order to extend their home visits as long as possible.

Meanwhile, J. M. Jerpe, director of the exposition, was on the spot for 40 turkey and 10 bean dinners, as the result of a softball game played between the show's staff and the division men, representing various General Motors divisions.

# VARIED FAIR PLANS SHOWN

State Exposition Not Always Held in Columbus

Caused Trouble in 1848

By United Press

COLUMBUS, O.—The Ohio State Fair being held this week at the 8th annual exhibition has not always been held in Columbus, a history of the exposition discloses.

The fair was first brought to Columbus in 1874. It was located on land which later was turned into a city park. In 1875, a fire destroyed the fair building, and it was held in the city park again.

Some difficulty was experienced in finding a new site. The state fair in Ohio, it was decided to hold the exposition in September, 1876, at the new site, which is now the site of the Ohio State Fair.

An outbreak of cholera in the city where the fair was held caused the closing of the fair at that time and it was suspended for a year.

The hospital for the fair expedition for September, 1876, led to an third presentation of cholera, a second epidemic of cholera broke out. The fair finally was held in early October at Camp Washington, near Cincinnati. At the time, for the first fair, the cost amounted to \$30,000.

## AGED OHIO PAIR ROBBED BY MEN THEY BEFRIENDED

A young Couple Tell of Harrowing All Night Automobile Ride to Maryland

The Associated Press  
NASHVILLE, Tenn., Sept. 4.—A young couple who were returning to their home in Perry county, Tenn., today from Cummins, Ind., had to make a harrowing all-night automobile ride to Maryland because they had been on a shopping trip.

The couple, who were returning from Zanesville, Ohio, where they had been on a shopping trip, had to be rescued by a man who had been buying gas in Columbus, according to a communication from the office of John Jaster Jr., state highway director.

The couple, who were returning from Zanesville, Ohio, where they had been on a shopping trip, had to be rescued by a man who had been buying gas in Columbus, according to a communication from the office of John Jaster Jr., state highway director.

## ROAD IMPROVEMENT WORK SCHEDULED

Date Set for Bids on Marion Crawford Wyandot and Hardin Projects

A Marion county road project and two in counties near it are among a group on which bids will be received on Sept. 15 at 10 a.m. in Columbus, according to a communication from the office of John Jaster Jr., state highway director.

The Marion county improvement calls for draining and paving of a 4-mile section of Old Auburn road in Montgomery township at an estimated cost of \$14,442.10.

One of the two in counties near Marion calls for surface treating of federal route 30 North in Crawford county and

THE STAR, MARION, OHIO, FRIDAY, SEPTEMBER 4, 1936

and Wyandot counties. The minimum estimated cost of the improvement is \$22,241.15.

The other is proposed grading, surface treating and paving of a 13-mile section of a county highway in Washington township of Hardin county at an estimated cost of \$12,964.04.

Ohioans to Have Choice of Five for President

Roosevelt and Landon Certain of First and Second Positions

With Others Following on Ballot

By the Associated Press

COLUMBUS, Sept. 4.—Ohioans were virtually assured today of an opportunity to choose among five presidential candidates in November with a possibility that two more would be nominated for positions on the ballot.

President Franklin D. Roosevelt and Gov. Alf M. Landon of Kansas, the Democratic and Republican candidates, were certain of first and second positions on the ballot. Secretaries of state's office officials predicted petitioners of three other parties would be four.

It is tentatively planned that the Union party, headed by Rep. William Lemke of North Dakota, the Communist party headed by Earl Browder of Kansas, and the Socialist Labor party headed by John W. Allen of Massachusetts, would file nominating petitions for presidential candidates and possibly for state offices.

To list their candidates in time

for the election, the parties must present 22,000 signatures. The Union party filed its signatures late yesterday. After failing to qualify for full recognition as a party with a sufficient number of voters, the Socialist Labor party voted to let the election be decided by the regular election.

Passenger and stunt flying

Scheduled at Airport

A program of stunt flying, parades, driving and passenger flying will be presented at the Marion airport on Labor Day. It was announced today. There will be

no admission or parking charges. Taking part will be Maj. Leslie C. Major, Army air corps reserve and commercial pilot, who will make passenger flights in his 17-passenger, 12-cylinder motor plane; Capt. E. D. Velmetor, military pilot, and Miss Gretchen Pugh, of Mansfield, who will take thirty-seven passengers in a biplane leaving from the tri-motor plane.

Passenger flying will begin at 9 a.m. with the tri-motor plane.

A program of stunt flying, parades, driving and passenger flying will be presented at the Marion airport on Labor Day. It was announced today. There will be

# Landon Leads Roosevelt 2 to 1 in Digest Poll

Returns from Four Eastern States Show Votes Split  
16,056 for G.O.P., 7,645 for New Deal

On Sept. 4—Landon the other four in no candidates  
divided 129 to 12. Landon lead is greatest in  
Maine where he gets 1,831 to  
Roosevelt's 579 votes.

660 to 1,621 in Jersey

New Jersey voters set in 2,660  
ballots marked for the Republican  
candidate and 1,621 for the Demo-  
cratic nominee.

The early returns from New  
York show the President trailing  
by only 2,74 votes to his oppo-  
site 5,931.

Pennsylvania which was one of  
the six states to give Hoover a  
plurality four years ago now bal-  
lotted 5,634 for its native son Landon  
and 2,778 for Roosevelt.

The Literary Digest cautions in  
its editorial columns that these re-  
turns are meager and should not  
serve as a base for any extensive  
prediction of the final outcome.

The magazine also points out that  
none of the ballots in its first poll  
report came from the large metro-  
politan areas of New York City,  
Philadelphia or Pittsburgh.

An analysis of the same  
voters voted in the 1932 election  
reveals that each candidate  
drawing nearly three-fourths of his  
strength far from his own party  
supporters in the 1932 election.

Lemke Hits Roosevelt

An analysis of the vote for  
Landon shows that in these 129  
returns he is getting four votes  
from former Roosevelt voters to  
one from erstwhile Hoover sup-  
porters.

Next week more states will join  
the parade and there will be that  
bands of additional voters. The  
magazine states. Ballots are pour-  
ing out by tens of thousands and  
will continue to flood the country  
for several weeks. They are pour-  
ing back too in an ever-increas-  
ing stream.

Meanwhile however it is inter-  
esting to analyze these preliminary  
returns in the Literary Digest's  
great 10,000,000 ballot test of pub-  
lic sentiment—the latest of many  
polls which always have forecast

## HOLD SEVEN IN ARSON CASE AFTER BLACK LEGION QUIZ

The investigation of the Black Legion black hooded organization and the subsequent scathing report of it by the Oakland County Mich. grand jury led to the deletion of seven Detroiters

in an arson case five as suspects and two as witnesses. The men, shown in custody at Pontiac Mich. as 12 others went on trial at Detroit for the Black Legion "execution" of Charles A. Poole.

are left to right Ernest Martin witness Albert Schneller Andrew Martin witness Cecil Nankervis Frank Rogers William Smith and Fall Walton (Associated Press photo)

spent last week with her parents Mr. and Mrs. Glover Sipe.

**EDISON NEWS**

EDISON—Mr. and Mrs. George Medbaugh of Baltimore Md. spent from Thursday until Saturday with Mrs. Margaret Eyster and family. Mr. and Mrs. Leon Huffman and children of Marion were guests of Rev. and Mrs. L. S. Huffman Thursday.

Mrs. Helen Bolinger spent last week with her brother Kenneth Bolinger in Marion.

Mrs. Maude Wright and Rosina Wright spent Sunday with Mr. and Mrs. Robert Wright at Port Clinton O.

Mrs. Mary Tagg of Delaware spent several days last week with Miss Veldren Kelly in the Alva Kelly home while Mr. and Mrs. Alva Kelly and Misses Ernestine Hazel and Maxine Kelly were on a trip to Washington D. C. and other places of interest. Mr. and Mrs. Lloyd Cowlin of Mt. Gilead were Sunday guests in the Kelly home.

Furthermore none of these 129 ballots came from any of the great metropolitan areas where President Roosevelt's strength is claimed by so many political observers to be greatest.

So it may be said that if Landon's adherents feel elated Roosevelt's supporters need not feel depressed. Next week's figures may show an entirely different result and there may be many switches thereafter.

Watch for Switches

What the political docters will look for in this first tabulation and those to come are the switches from.

In Maine the barometer state Landon gets 246 who voted for Roosevelt in 1932 as compared with 55 who then voted Republican and now favor Roosevelt.

In New Jersey Landon gets 407 who were Democratic in 1932 while Roosevelt takes over 304 Republi- can voters.

In New York Landon gets 1,146 Democratic voters while 502 who voted Republican in 1932 switch to the President.

In Pennsylvania 915 Democrats vote for Landon and 500 Republi- can for Roosevelt.

But those who have their eyes on switches probably will turn first to the vote for Rep. William Lemke nominee of the Union party—the third party threat. His total vote today is tiny. Indeed odds 754 or slightly more than 3 per cent of the total 24,689 shown in the table.

**Westfield News**

WESTFIELD—Mr. and Mrs. E. I. Eastman and children of Nampa Idaho have been visiting Mr. and Mrs. Poulen Benedict.

William Brimley suffered a stroke of paralysis Saturday.

Mrs. Audrey Granger who has been spending the summer with Mrs. Viola Bartholomew at the Wesley Bartlett home left Thursday for Ft. Wayne Ind. where she will visit Mr. and Mrs. Walter Granger before returning to her home at Minnesota.

Mrs. Sarah Peak and son of Waldo Mrs. Mayme Schaaf and daughter of near Cardington and Mrs. Stella Stanley were Sunday guests at the Wesley Bartlett home. Don Bartholomew of Columbus spent Tuesday with Mrs. Viola Bartholomew.

## STUDY SEWAGE PLANT PROBLEM

Engineer Addresses Galion Club Council on System at Galion

**Special to The Star**  
GALION Sept 4—The problem of the condition of Galion's sewage disposal plant was presented to the Inter-City Council of the city at a meeting last night at the public library. Frederick Biehl, an engineer, addressed the club.

Paul A. Uhlmann, of Columbus, a sanitary engineer, was the speaker. He explained the different methods of treating sewage and said the Galion plant was inefficient. Two samples were taken from different parts throughout the plant. The first was taken at the intake and another further along. The first three, the last of these taken at the plant showed no visible difference. In a good plant the color of the stream should be much clearer, he said.

It was agreed to do the best in the short time the present plant could be used.

The council, which is comprised of representatives of various clubs of the city, discussed the problem. Biehl suggested that each representative communicate the improvements to their respective organizations.

It was decided to address the group in the interests of Boos or Football tickets which are being sold to raise funds to pay for a new fence around the Heine park athletic field.

## GALION CLUB OPENS SEASON WITH PARTY

**Special to The Star**

GALION Sept. 4—The initial meeting of the season for the Business and Professional Women's Club of Galion was a festive party Thursday night. Fifty members attended a dinner party and later went to the Central Hotel Coffee Shop for lunch. An interesting program was planned by this group which was organized last fall.

Miss Hazel Nichols is president of the club.

Three sections of the Ladies Aid society of First Methodist church met yesterday afternoon. When Section 5 met at the home of Mrs. H. Evans, Mrs. Howard Munsfield told of her trip to Germany and described the churches of the country.

Section 1 met with Mrs. S. A. Rhodes with Mrs. J. Lew Cogar and Mrs. Frank Thomas assisting for refreshments. Mrs. Thomas presided and Mrs. D. O. Williams led devotion.

Two new members, Mrs. Chester Burns and Mrs. M. A. Povençal, were welcomed when Section 4 met with Mrs. W. F. Neff. Officers elected for the year are president Mrs. Neff, vice president Mrs. F. E. Foster, secretary Mrs. Chester Stevens, assistant Mrs. G. R. McNaught, treasurer Mrs. Nellie Sutton.

The program was in charge of Mrs. M. F. Gwinther when the Women's Missions society of the United Brethren church met Thursday with Mrs. Lois Ramsey.

Mrs. Volt. Thaler entertained the Pinneverein at the Pence Lutheran parish home Thursday afternoon.

The monthly social meeting of the American Legion Auxiliary was held last night. Hostesses for cards and refreshments were Mrs. Homer Renshaw, Mrs. L. B. Rehm, Mrs. Warren Polley, Mrs. Max Kord, Mrs. Clara Redmon, Mrs. Catherine Richter, Mrs. Geraldine Richter, Mrs. Mildred Rhinehart and Mrs. Charles Rude.

The monthly social meeting of the Ladies Aid society of the Main Street Methodist church met yesterday with Mrs. Oscar Schneidersberger and Mrs. Clara West.

A letter from the Rev. Ward Hartman, missionary in China, was read by M. H. W. Wolfelt at the meeting of the Foreign Missions Society of First Reformed church yesterday with Mrs. Anna Schneiders.

Following the ceremony a wed-

ding dinner was served at the Holker home. To the immediate family the table centerpiece was a decorated cake bearing a miniature bride and bridegroom.

Both the bride and bridegroom were graduated from Crestline High school in 1926.

Later that day evening the couple left for Due West, S. C., where the bridegroom has been engaged as head of the violin department of a training college. He will also have charge of instrumental music and direct the band and the orchestra.

A discussion of plans for the fu-

ture was held when the Ladies Aid society met at First Baptist church Thursday afternoon. Mrs. C. L. Hopkins conducted devotions. A potluck supper was served.

Caterpillar brought from 1971

to 1972 with riding attachment

which was first imported sum-

mer last year. It is the first

of its kind ever to be used

in this country.

## FREED OF KIDNAPER'S THREAT

Your Health  
By DR. R. S. CUPPLEND

## Leprosy

LEPROSY HAS affected man  
and woman for many centuries. It al-  
ways was regarded as an incurable  
disease. During the Middle  
Ages in some countries the leper  
was treated as one dead. In fact  
the victim was given solemn mass  
at the church.

Before the 19th century, he was  
condemned as a leper, he was  
sent to the corner where dirt  
was thrown over him. He became  
a social outcast.

Today the leper is treated in a  
different manner. In fact, leprosy  
is no longer considered a hopeless  
disease. In many instances it has  
been entirely cured.

For years and years the actual  
cause of the disease was not known.  
In 1873 the micro-organism respon-  
sible for leprosy was discovered  
and named the bacillus leprae.  
This germ attacks the skin and  
nerves. The skin undergoes marked  
changes and the face assumes a  
distorted appearance. Advanced  
cases of leprosy are indeed hideous  
to view.

I am glad to say that these ex-  
treme cases are not as frequently  
met as they used to be. This happy  
advance is due to the marked  
changes in the treatment and care  
of those who have this dreaded  
disease.

It is true that for many years  
and a long time have been established  
and continue to be a little  
of the care of lepers. But it has  
only been within recent years that  
well equipped hospitals have been  
built for the comfort and relief of

G-men staged a real life drama  
to catch William J. Butler, 18, who  
tried to collect \$30,000 in mis-  
ion money in Queens, L. I.  
Agent announced that  
had he made the

recommendation to H. J. Borod-  
din, chief of the state division of  
aid for the aged that the Bricker  
group was pointing out the in-  
certainty of the proposal and at the  
same time indicating it should  
have been proposed sooner if it  
was possible at all.

Bricker shortly thereafter re-  
futed this claim by accusing  
the governor of failing to follow  
through on one of the most uni-  
versally acclaimed acts of the early  
days of his administration—the ap-  
pointment of the Sherrill commit-  
tee to find means for reducing  
government costs.

At a meeting in Clarksburg  
Bricker charged Daves's adminis-  
tration had run state costs up  
\$10,000,000 whereas the Sherrill  
committee recommended savings  
of \$15,000,000.

He also took a leaf from the  
national Republican book and  
pointed out a sample of the state's  
boondoggling. He cited the re-  
pairs being made on the state  
house walks and predicted that  
paving blocks which have with-  
stood the slithering tread of pol-  
iticians for nearly a century prob-  
ably will give way to less per-  
manent sidewalk.

Observers feel that before long  
the two combatants will be at it  
again over the insinuations and  
bold charges made against each  
other over the liquidation of state  
banks and building and loans. The  
governor several months ago was  
decidedly outspoken against  
Bricker's army of political law  
yers who were supposed to be  
mutilating the depositors but Bricker  
apparently has put a silencer on  
him so far as that charge is con-  
cerned with his detailed state  
statement before the Republican state  
convention laying the blame—if  
any—on the state banking and  
building and loan departments.

MAN SMOKES PIPE  
TWO CENTURIES OLD

By United Press  
EDMONTON, Alta.—George

PENNEY'S  
A PENNEY COMPANY

These sufferers, in contrast to former  
years, every effort is now being  
made to understand the disease  
more thoroughly and combat it.

There is no doubt that the great  
contribution to the successful  
treatment of leprosy was the de-  
covery and application of chaul-  
moogra oil. The chaulmoogra is  
an East Indian tree of the plum  
family. It contains the oil to  
which I have referred as useful  
in the treatment of leprosy. This  
oil is extracted and subjected to  
certain processes to be prepared  
so that it can be injected under  
the skin of the sufferer.

Over night, 1934, I came to  
BOOKS DISTRIBUTED  
BY CLIPER PLANES  
By United Press  
HONOLULU — It is not all mail  
and building equipment that Pan  
American Airways transports.  
Clipper planes carry on their fre-  
quent trips every type car-  
ticles, a radio, books from the  
Library of Hawaii here to Mid-  
way and Wake Islands where Pan  
American staff members are reg-  
ular readers of library volumes.  
Returning Clipper bring back the  
look."

ALBINO GROUNDHOG SHOT  
PETTIGROR, Ont.—One of  
nature's rarities, an albino  
groundhog, is being exhibited by  
Frank Gilbert, who shot the animal  
in a field near the city.

# Giants Strengthen Lead by Trimming Cardinals, 2-1

HUBBELL WINS DUEL WITH DIZZY DEAN; REDS WIN 2 GAMES

Cleveland Loses as Yanks Regain 17-Game Lead in American League

By The Associated Press  
Bill Hubbell's Giants headed home today from their most successful western invasion in 30 years, leaving behind them not only a bad boy brand of pennant contenders but the more apparent impression that Carl Hubbell is the year's number one pitcher in any league.

With a four-game lead under their belts, the Fairy Terrors seem set to hold the whip hand until the pennant gets up.

They took the most commanding edge they've held to date yesterday in a 2-1 victory over the Cardinals in which Hubbell established his sure mark for the year over Dizzy Dean.

There seems little doubt that these two this season stand head and shoulders above the Mungos, the Frenchies, the Kennedys or what have you.

The Giants' 17-10 record helped things along, yesterday by topping the always dangerous Cubs 10 to 6 in a 20-inning, 10th-inning thriller behind Van Mungo's hit hurling.

With that result here's the way things stand with little more than three weeks of the campaign left.

Club W L Pct Play  
Giants 70 49 .511 .26  
Cardinals 75 53 .580 .26  
Cubs 75 65 .577 .4

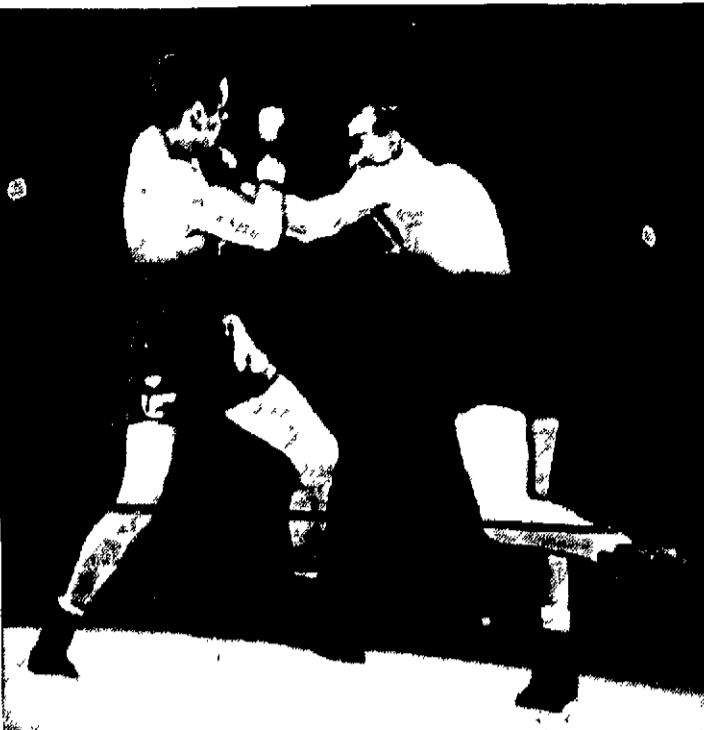

The American League race continues to be a runaway for the Yankees. Lefty Gomez survived one bad inning yesterday to pitch the homicide squad to a 6-4 victory over the second place Cleveland Indians and boot the Yankee lead back to 17 games.

The Senators climbed back into a No. 4 fourth place with the White Sox by clipping the Tigers 3-1 behind Pete Appleton's six hits, pitching while the White Sox managed only an even break with the Red Sox. John Whitehead topped Wes Ferrell in the opening for a 5-2 Giongo win and Franklin Marcum pitched a shutout ball in the nightcap as the Beantown millionaires on through 5-0.

The Reds took a tighter grip on fifth place in the National with a doubleheader victory over the Bees 3-0 and 6-4. The Pirates and Phillips split a twin bill, the Phillips downing the leaguers leading pitcher Red Lucas in the opener 4-3 and losing the nightcap 5-1.

Herman Fink and Randall Gump part held the Browns to two hits but the Brownies topped the A's 6-2.

As Ambers Wins Title from Canzoneri

AMBERS WINS TITLE  
IN 15-ROUND FIGHT

World Lightweight Division  
Crown Won from Tony Canzoneri in New York

By The Associated Press  
NEW YORK, Sept. 4 (UPI)—A highly anticipated bout yesterday between Lou Ambers and Tony Canzoneri for the world's lightweight championship ended in 15 rounds in Madison Square Garden. Ambers, 22, of Cincinnati, beat Canzoneri, 23, of Atlanta, 15-14.
